RULES AND REGULATIONS

- Staff of the Maritime Pro Stock Tour and direct relatives to staff of the Maritime Pro Stock Tour are not eligible to participate
- You must submit your filled out bracket sheet by Noon on Friday, July 23 to be eligible to play. You can submit your form via:
 - o Fax (902)832-6668
 - o In Person to 70 Ilsley Avenue, Dartmouth, NS
 - o Mail to P.O. Box 3487 D.E.P.S., Dartmouth, Nova Scotia B2W 5G4
 - Bracket must ARRIVE by deadline above
 - o Email to webmaster@maritimeprostocktour.com
- The four races in the bracket are:
 - o Parts For Trucks 100 (Speedway 660, July 24)
 - o Lucas Oil 100 (Oyster Bed Speedway, July 31)
 - o Parts For Trucks 100 (Riverside Speedway, August 14)
 - o Lucas Oil 100 (Scotia Speedworld, August 21)
- Point Structure is as follows:
 - o Each correct first round pick would receive 1 point (max round total of 8)
 - o Each correct second round pick would receive 2 points (max round total of 8)
 - o Each correct third round pick would receive 4 points (max round total of 8)
 - o Each correct fourth round pick would receive 8 points (max round total of 8)
 - Maximum amount of total points for a perfect bracket - 32 points.
- Drivers are seeded by points following the Lockhart Truck Center 100 on July 3rd, 2010.
- In the event of a tie, the winner will be determined by guessing closest to the winning Time Trial time for the August 21st Lucas Oil 100 at Scotia Speedworld. Time must be submitted with the bracket by the deadline above.
 - o In the event that after the tie breaker, there is still a tie, a second tie breaker will be performed. The winner will be determined by guessing the margin of victory for the Lucas Oil 100 on August 21st at Scotia Speedworld. Margin of victory must be submitted with the bracket by the deadline above.
- If a driver does not participate in the event, they will be considered the “losing” driver.
- Points will not be calculated and posted until all four brackets are complete.
- In the event of a rescheduled race, the bracket will remain as is. (I.E. The first bracket will always be at Speedway 660, even if it is run 4th.)
- You must pick one driver from each matchup of either two or three drivers.
- The driver who finishes highest among the choices “wins” that round and moves onto the next round.
